The following is important electronic medical billing and contact information to help facilitate successful electronic data interchange (EDI) per Minnesota Statute, 176.135 Section 1 (a):

Payer Identification Number:	**Liberty and Helmsman Payer ID 33600** The Payer ID Number is an assigned number by our eBill agent, Jopari Solutions. If you use another eBill agent other than Jopari Solutions, then it is recommended that you verify with your vendor the assigned payer ID number for bill submission to ensure proper EDI routing. **Consideration: If there are multiple associated payer IDs, rules must be clear when posting IDs to mitigate misrouting and potential PHI breach exposure.**
